

Our Business Profile

Dandenong Hospitality Supplies Pty Ltd is a privately owned and managed trade dealer and retailer who service the needs of the food service, hospitality and catering market segments. We have gained a well respected reputation in customer service and meeting the needs of numerous businesses in the greater Melbourne metropolitan area, Gippsland and other Victorian country regions.

DHS is managed by staff that has a combined experience of over 50 years in the bakery, pizza, fast food and foodservice markets in operations, sales and marketing. Our expertise and experience is freely available to any new food service businesses, from initial concepts through to the on going management.

We can offer support and friendly advice to any client requiring new or used equipment, improved kitchen layouts and service needs within specific budget or cost constraints. DHS can also provide flexible financial options to suit any client needs when refurbishing existing equipment or establishing new kitchen facilities.

DHS offers a wide range of catering equipment ranging from the large pizza conveyor ovens, all types of refrigeration cabinets, cooking ranges, Combi-ovens, ware-washing down to the compact food processors.

We are a supplier of all major manufacturer brands which include Garland, Frymaster, Skope, Anvil, Electrolux, Trueheat, Williams, Birko, Bromic, Stoddards, Woodson, Cambro, Doyon and many more. We also stock an extensive range of cooking utensils and sundry supplies suited to meet the needs of any modern food service facility or kitchen.

Our Mission and Goals

Dandenong Hospitality Supplies Pty Ltd's mission is to expand our business, to a service a wider range of hospitality industry customers, maintain our service to our exiting loyal customers and not waiver the quality of our customer service level.

Our goals are to:

*Make our valued customers the top priority in every day;
Provide quality hospitality and catering equipment at competitive prices;
Support of our valued trade suppliers with their business targets;
Adapt to the ever changing market place and industry trends; and
Achieve the expectations of our independent and corporate customers.*
